# How to Set Single User's Right

The screenshot shows the SMART PSS software interface. On the left sidebar, the 'User Right' option is highlighted with a red box. The main window displays a 'Department List' table with columns for 'User ID', 'Name', 'Card No.', 'Department', and 'Operation'. The 'Operation' column contains edit icons, with one icon highlighted by a red box and the number '1'. A 'Select Door group' dialog box is open, showing a table with columns for 'Door List' and 'Timezone'. The 'Door List' column has a checkbox checked, highlighted by a red box and the number '2'. The dialog box also has 'OK' and 'Cancel' buttons at the bottom.

User ID	Name	Card No.	Department	Operation
35587	Gloria	00123456	Dahua Comp...	
35588	Allen	00659874	Dahua Comp...	

Door List	Timezone
<input checked="" type="checkbox"/>	All Day

- ① In user right interface Click 
- ② Select doors to add specific user into access right list, or delete specific user from list.

THANK YOU
