CONTENTS

GAMANET

https://www.c4portal.com/Home.aspx

Gamanet a. s., is a leader in development of security integration and building management software. Since its establishment in 2005, Gamanet a. s. has continuously provided innovative solutions in the field of security technology centralization. During this short period of time the company has - thanks to its professional approach - been able to secure a remarkable position in the market for the implementation of large security systems for both commercial and civil customers.

Interoperability

- C4 + Dahua plugin

SUPPORTED PARTNER PRODUCTS

- ASC1204B-S

SUPPORTED DAHUA PRODUCTS

- Time synchronization
- Card Management
- Handicapped flag
- Dynamic command state

FEATURES

VAUBAN SYSTEM

https://www.vauban-systems.fr/en/

VAUBAN SYSTEMS is a French company specialized in physical access control. The goal of Vauban is to develop comprehensive security solutions that are above all reliable and easy to use to facilitate the daily operation of their end customers. Vauban designs, develops, integrates and personalizes technical offer to allow their customers an ever simpler and more intuitive use of the physical access control of their site.

Interoperability

- Visor Software

SUPPORTED PARTNER PRODUCTS

- Dahua FACT Series

SUPPORTED DAHUA PRODUCTS

Powered with Vauban Visor that allows:
- Up to 840 readers / 256 control panel
- Client/Server configuration
- Client license, update

FEATURES

■ EDEN INNOVATIONS

https://www.eden-innovations.com/

EDEN INNOVATIONS ensures the design, manufacture and commercialization of access control solutions. Our company offers innovative products and software for: 1. Autonomous systems via our biometric readers. 2. Centralized systems via our SPINEL ranges. 3. Supervised systems through complementarity with other security systems.

Interoperability

• OPTIMA BOX	• Face recognition termination • Face recognition access controller	• Face enrollment • Face recognition • Proximity card • Check abnormal temperature and the absence of mask
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ PAXTON

https://www.paxton-access.com/

Paxton is the leader in access control system. With over 30 years of experience, Paxton designs and manufactures market-leading security solutions for a range of buildings. Around 25,000 buildings each year are secured globally with Paxton products.

Interoperability

• Net2 Access Control	• ASI7213X-T1, ASI7223X-A-T1	• Access control from unauthorized visitors • Temperature detection • Over-temperature access control
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ ALNET

https://alnetsystems.com/

Alnet Systems with offices in Poland and USA is the leading manufacturer of Digital Video Recording and Identification Systems. Alnet's main product is the digital video recorder VDRS that is working on over 60,000

installation worldwide which confirms its reliability and functionality. Besides digital video recording systems they offer the identification and plate recognition system PRS. Combining IP and Analog technology, VDRS guarantees the highest quality in surveillance systems to meet customer's highest standards.

Interoperability

SUPPORTED PARTNER PRODUCTS	SUPPORTED DAHUA PRODUCTS	FEATURES
● Net Access	● ASI7213X-T1	● Card management ● Access control record

■ TIGERSOFT

https://tigersoft.co.th/

100% Thai Software House with a commitment to develop various programs to support our customers' business. By making technology easy and modern to work Come to present to customers of all types of businesses. At present, Tigersoft provides services in both Personnel Management Program Distributor of time recorders and various office equipment.

Interoperability

SUPPORTED PARTNER PRODUCTS	SUPPORTED DAHUA PRODUCTS	FEATURES
● TigerSoft platform	● ASI7213X	● Card management ● Access control record

■ HRC

https://www.hrcsrl.it/

HRC is an Italian IT company that is always projected into the future to offer Italian and foreign companies customized hardware and software solutions.

Interoperability

• HRC platform	• ASI7213X-T1	• Check abnormal temperature and the absence of mask • Green pass checking
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ JMC GROUP

https://www.jmcgroup.it/

JMC Group operates in the ICT (Information and Communication Technology) segment and specialises in the design and implementation of high-level integrated hardware solutions.

They are "Technology Designers", as they deal with technology right from the design stage to meet the needs and the requirements of our customers to be more and more future ready. The JMC Group includes Xinntex – which is specialised in the Media Content Delivery segment – and JTotem – the innovative solutions for digital communication, which they produce and own intellectual property, based on high-tech interactive kiosks.

Interoperability

• JMC platform	• ASI7213X-T1	• Check abnormal temperature and the absence of mask • Green pass checking
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ MILESTONE

https://www.milestonesys.com/

Founded in 1998, Milestone Systems is a global industry leader in open platform IP video management software. The XProtect platform delivers powerful surveillance that is easy to manage, reliable and proven in thousands of customer installations around the world.

Interoperability

• Milestone Corporate (recommened)	• ASI7213X-T1, ASI7223X-A-T1	• Live stream with detected temperature. • Real-time alarm. • Event management and records search.
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

Notes: we are working on plugin development for other models integration with Milestone, will be ready next year beginning.

AXXONSOFT

https://www.axxonsoft.com/

Founded in 2003, AxxonSoft is a leading developer of smart integrated security and video surveillance software systems (VMS and PSIM). The company's portfolio for the Safety & Security market boasts over 480,000 completed projects for 13,000+ customers in more than 140 countries. With 50 offices around the world, the company provides its partners with fast response times and exceptional support in every corner of the globe. The AxxonSoft VMS and PSIM platforms power more than 240 Safe City municipal surveillance projects as well as security systems at retailers, banks, international airports, seaports, industrial sites, and numerous government and business facilities around the world.

Interoperability

● Axxon Intellect Enterprise 4.11.1 + ACFA Intellect 6.9 (recommened) **SUPPORTED PARTNER PRODUCTS**	● ASI7213X-T1, ASI7223X-A-T1 **SUPPORTED DAHUA PRODUCTS**	● Live stream with detected temperature. ● Real-time alarm. ● Event management and records search. **FEATURES**

Notes: Axxonsoft is working on deeper integration with other access control models.

DESICO

https://www.desico.com/

DESICO offers engineering solutions in automation and control projects related to the security market. DESICO manufactures the Integration system "VIGIPLUS", a suite of applications consisting of personalised SCADA for managing and integrating security systems, such as Intrusion, Fire, CCTV, Access , Visits, Accreditations, Patrols and also Automation and Control systems.

Interoperability

• VIGIPLUS	• ASI7213X-T1, ASI722X-A-T1 • ASI7214Y-V3	• Live stream with detected temperature. • Real-time alarm. • Event management and records search. • User, face, access control management
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ ATOS

Http://Atos.net

Interoperability

• CENTINELA	• ASI7213X-T1, ASI7223X-A-T1	• Live stream with detected temperature. • Temperature detection and real-time alarm.
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ ARQUERO

Interoperability

• Arquero	• ASI7213X-T1, ASI7223X-A-T1	• Live stream with detected temperature. • Real-time alarm. • Event management and records search.
SUPPORTED PARTNER PRODUCTS	**SUPPORTED DAHUA PRODUCTS**	**FEATURES**

■ STANELY (PAC)

Interoperability

SUPPORTED PARTNER PRODUCTS	SUPPORTED DAHUA PRODUCTS	FEATURES
• Stanely software	• ASI7213X-T1, ASI7223X-A-T1	• Access control from unauthorized visitors • Temperature detection • Mask-wearing control

■ BIG

https://www.bigsrl.com/

BIG srl (Building Intelligence Group) is one of the leading companies in the Italian panorama of building automation system, especially regarding energy efficiency systems and access control.

BIG srl knows and uses all the principal standards available in the word of building automation and is able to propose a carnet of solution oriented to customer requests and totally customized on real project needs.

BIG srl is a company based in the north west of Italy based on an high technological company profile and on the ability to increase its skills with newer and more innovative solutions day after day.

Interoperability

SUPPORTED PARTNER PRODUCTS	SUPPORTED DAHUA PRODUCTS	FEATURES
• BIGStudio	• ASI1202	• Access control and true presence management

■ IDEAIT

https://ideait.it

Idea IT is an Italian company working in the Information & Communication Technology sector. We offer ICT Solution in the following sector: Physical and Logical Security measures, Cloud Computing, Multimedia Comunication Network, Wired and Wireless Infrastructure, Software and App Development.

Interoperability

- ShareLock

SUPPORTED PARTNER PRODUCTS

- ASI1202

SUPPORTED DAHUA PRODUCTS

- Access control and true presence management
