Dahua Access Control & Temperature Monitoring Terminal

Temperature Monitoring / Face Recognition

- Liveness Detection
- WDR Camera
- 2.5D Curved Screen
- Anti-glare Interference
- Large Cpacity
- Accurate Temperature Measurement
- Mask Detection
- Fast Recognition Speed
- Abnormal Temperature Alarm

TEMP: 36.5℃

Verify successfully, No mask

Temperature Monitoring Distance: 0.3m-1.8m

Temperature Accuracy: ± 0.5℃
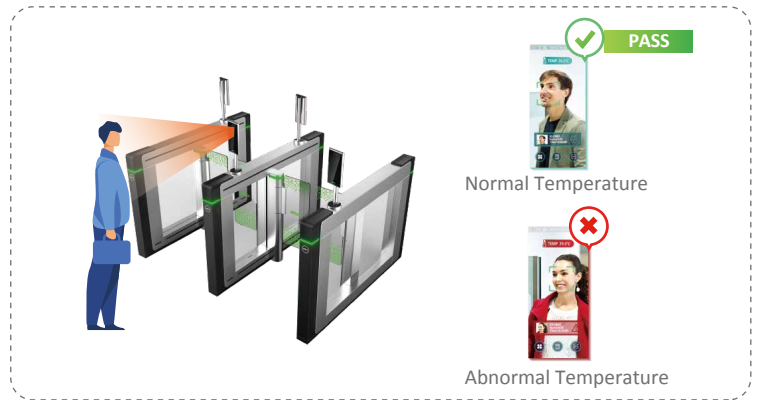

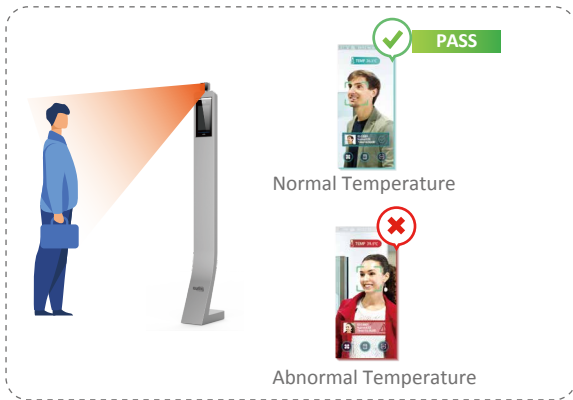

Temperature Monitoring Speed：0.2s

Easy Install and Easy Move

Key Features

Normal Temperature

Abnormal Temperature

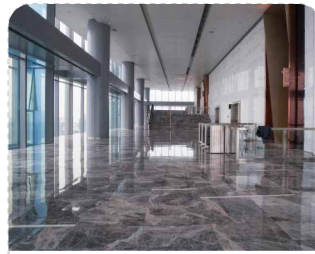

Normal Temperature

Abnormal Temperature

- Accurate monitoring of temperature, abnormal temperature alarm.
- Non-contact access to reduce cross-infection.
- Easy to install, easy to move.
- Large storage of face images and temperature information for easy back-tracking.
- Fast access to prevent congestion.

Application Scenarios

Commercial Building

Office Building

School

Factory

Products Selection

DHI-ASI7213X-T1
(DSS-EXPRESS OR NVR Optional)
- Temperature Monitoring Accuracy: ±0.5°C
- Temperature Monitoring
  Distance: 0.3m ~ 1.8m
- Sound Prompt: Abnormal
  temperature alarm

DHI-ASI7223X-A-T1
(DSS-EXPRESS OR NVR Optional)
- Temperature Monitoring Accuracy: ±0.5°C
- Temperature Monitoring
  Distance: 0.3m ~ 1.8m
- Sound Prompt: Abnormal
  temperature alarm

DHI-ASI7213X-T1+ASF172X-T1
(DSS-EXPRESS OR NVR Optional)
- Temperature Monitoring Accuracy: ±0.5°C
- Temperature Monitoring
  Distance: 0.3m ~ 1.8m
- Sound Prompt: Abnormal
  temperature alarm
